Datasheet I 4 Wires Trimless track -1M(1000mm)

Picture for reference only

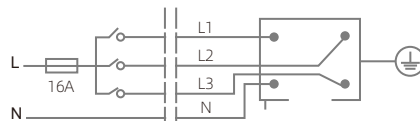

Product code	PRO-TR410
Color	Black / White
Color code	RAL 9005 / 9016
Main materials	Aluminum + PC UL94V0 + Copper
Inner package QTY	N/A
Unit weight	N/A
Outer package QTY	4 PCS
Gross weight per carton	N/A
Package size	1035*185*184 mm
Voltage & Max. load	250V~/440V 3N~ 16A Max.

Dimensions(mm)

Troubleshooting

Abnormal: The circuit of the track system has no power or the line voltage exceeds the nominal value, please check whether the following exceptions exist in the installation:

1. Please ensure that the "convex" reinforcement position inside the track system is consistent with the direction of the "concave" groove of the connector, and reverse installation is prohibited;
2. Please ensure that the connector connection is firm, no loose and falling off, and installed in place with the track to prevent virtual connection;
3. Please ensure that the wiring inside the power supply box is wired according to the regulations.
